RAD - Der veranstaltende Verein RV Mauren teilt mit, dass bei der «Metzgerei Ospelt Trophy», die im Rahmen des Kriteriums «Rund um den Weiherring» in Mauren zur Austragung kam, bei der Auswertung des Rennens in der Kategorie MOT I ein bedauerlicher Fehler passiert ist. Auffällige Blutwerte

RAD - Bei der Blutkontrolle vor dem am Samstag in Reggio Calabria beginnenden Giro d'Italia sind beim Portugiesen Nuno Ribeiro auffällige Blutwerte registriert worden. Der Fahrer aus der spanischen Liberty-Seguros-Mannschaft erhielt Startverbot. Alle 198 Teilnehmer aus 22 Teams waren von den Ärzten des internationalen Verbandes UCI kontrolliert worden. 197 Fahrer zeigten keine Auffälligkeiten. Eine kombinierte Blut- und Urin-Kontrolle soll nun klären, ob Ribeiro gedopt hat. (si)

Kaum Änderungen

SKI ALPIN - Während im österreichischen Männer-Team vor der Olympia-Saison fast alles beim (erfolgreichen) Alten blieb, erhalten die ÖSV-Frauen künftig auch eine dritte Trainingsgruppe. Deren Coach ist der bisherige Europacup-Trainer Fritz Offenhauser. Das Frauen-Nationalteam verkleinerte sich von 10 auf 7 Fahrerinnen. Nachfolger von Abfahrtschef Bernd Zobel ist Jürgen Graller, der aus dem Europacup aufsteigt. Das Nationalteam der Männer umfasst mit den Aufsteigern Werner Franz, Stephan Görgl und Mario Scheiber neu 13 Fahrer. Mario Matt wechselte von der Techniker- in die Allroundergruppe WC4 von Andreas Evers. Den umgekehrten Weg ging Christoph Gruber. (si)
